

#UNSTUCK

Feeling a bit desperate to get #UNSTUCK in your work life?

Maybe you have a job, yet it's not where you want to be? Or, as a solo entrepreneur, you have clients but you are not fulfilling your vision and goals? Perhaps you have been working for a long time, but not ready to retire and don't know what's next? If any of these sound like you, we invite you to #UNSTUCK! A workshop to help you know yourself better and make YOU more marketable to others!

UNSTUCK Agenda

8:00-8:15 Meet and Greet

8:15-9:00 Making YOU Marketable, Susan Long-Molnar
Understand how to build your personal brand and use your LinkedIn Profile to communicate who you are!

9:00-9:45 Winston Bersch Guide & Business Analyst
Understand your authenticity by learning to think differently and create your life from the inside out

9:45-10:00 Breakout Sessions Based on Your Interests

About Your Presenters

Susan Long-Molnar is celebrating 15 years as founder of Managing Communications Consulting. Her Making YOU Marketable program is the result of over 35 years assisting professionals to move to new positions and business owners to promote their brands.

Winston Bersch has created every aspect of both successful and less successful businesses. He currently works with humans at all levels to have a richer more rewarding experience of life. Add to this his ability to help take any business or idea through the impossible and have some fun doing it!

Please attend if YOU are...a job seeker, in a military or career transition, wanting a promotion. And if you are a solo entrepreneur or a startup business owner, this is for you, too!
